## A Community Collaborative Effort

The Partnership for a Drug-Free Community, the City of Huntsville, Huntsville Police, Madison Police, Madison County Sheriff's Department, Operation Green Team, the Solid Waste Disposal Authority (SWDA) Covanta Huntsville and XMed invite you to safely dispose of any expired or unwanted medications.

- Nationally, teenage prescription drug abuse is rapidly increasing, and your family **medicine cabinet could become a teenager's best supplier.**
- Help protect the environment. Collection programs greatly reduce the chance of **medicines entering our water supply!**
- This program is **completely confidential**. No personal information will be collected. Please remove or black out all labels before arriving.
